

BOULDERS OHV RECREATION AREA

Agency: BLM Hassayampa FO
Grant Writer: AZ Off Highway Vehicle Coalition
Grants: #571008 (2010)

Project Description:

LP 6 Road thru Boulders parking area to outer trail A intersection. 10 acre parking area and tot lot practice area. (tot lot doubles as ASI safety training for LEO's and G and F OHV training program.

Treat above area to comply with Maricopa County Dust rule 310.01 non traditional source of dust/OHV. Dust treatment will be applied that meets all BLM and County requirements to protect both the public and the environment. Treatment will be applied to LP6 entry from Hwy. 74, thru the Boulders parking area to the intersection of Trail A (3 coats). Parking and camping area (10 acres) will also be treated (one coat).

Tot Lot will be treated to keep dust down for this area (one coat).

Lower traffic areas need less treatment.
