

## Hot Well Dunes Recreation Area

---

**Agency:** Safford BLM FO

**Grant Writer:** Safford BLM FO

**Grants:** Listed below

### **Project Description:**

#559305 (1994) Project to include completing the construction of Hot Well Dunes Recreation Area, including an OHV parking and staging area, five campsites, spring development, walkways, kiosk, and interpretive signage. Complete the cultural resources mitigation work required to finalize destination of Hot Well Dunes as an "open" off-highway vehicle recreation area.

Grant amount: \$61,000

#559605 (1996) The Hot Wells Dunes Recreation Area involves development of a handicapped accessible cement walkway to a hot spring, four additional camping/picnic sites (two with shade ramadas), planting of trees to minimize noise of OHV users and provide shade, and directional/informational signs. Also, a visitor brochure will be developed for the area and a campsite will be upgraded for use by a site host.

Grant amount: \$36,700

#559904 (1999) Project proposes to install support facilities for the OHV users at the Hot Wells Dunes Recreation Area and surrounding public land. These facilities would include a restroom, picnic sites, a parking area and information kiosk. Fencing will also be installed to prevent vehicular and livestock entry immediately around the facilities.

Grant amount: \$45,290

#551405 (2015) Project proposes to install support facilities for the OHV users at the Hot Wells Dunes Recreation Area and surrounding public land. These facilities would include a restroom, picnic sites, a parking area and information kiosk. Fencing will also be installed to prevent vehicular and livestock entry immediately around the facilities.

Grant amount: \$22,016
